IDENTIFIERS *University of Hawaii Community College System

ABSTRACT

This planning information for the University of Hawaii Community Colleges for 1992-1993 through 2001-2002 consists of a series of tables that provide relevant information about the system and its seven campuses. For the overall system the following information is provided for general education and vocational education courses for the years 1992-93 to 1996-97: (1) activity measure, including fall enrollment counts, courses taught, applications processed, and degrees awarded; (2) efficiency measures, including average class size, student to faculty ratios, and courses per faculty; (3) tuition and fees, including statewide and nationwide comparisons; (4) instructional costs; (5) revenues and expenditures, including comparisons to peer institutions; and (6) human resources expenditures. For the system, class size has increased over time, which is also reflected in the increase of the student to faculty ratios. Similar information is provided for each of the seven campuses, with the addition of activity measures, efficiency measures, and instructional costs presented for the following areas: general education, humanities, natural sciences, social sciences, other general education, vocational education, business education, food service and hospitality education, health services, public service, technology, and other occupational and vocational fields. UNIVERSITY OF HAWAII COMMUNITY COLLEGES TOTAL

Footnotes to Tables:

- 1/ System-wide graduation rates.
- 2/ All cost data excludes fringe benefits. Data for 1995-96 includes tuition expenditures for scholarships and fellowships. The sum of General Academic and Vocational Education costs may not equal the total due to the way other instructional costs are allocated (see campus footnotes). Totals for the UH Community Colleges are a sum of the individual units and figures may not be found in the Instructional Unit Cost Study as presented here.
- 3/ Excludes system-wide revenues and expenditures.
- 4/ Also called scholarships and fellowships.
- 5/ Faculty headcount includes CC Administration and Employment Training Office (ETO).
- 6/ Professional/clerical ratios are for instruction only.

Footnotes to Tables:

- 1/ System-wide graduation rates.
- 2/ All cost data excludes fringe benefits. Data for 1995-96 includes tuition expenditures for scholarships and fellowships. Other instructional expenditures are as follows: 1) Division totals (Humanities, Natural Sciences, Business, etc.) exclude "other instruction" costs. 2) General Academic and Vocational Education totals include "other instruction" costs that were not allocated to Gen Acad or Voc Ed divisions. 3) Campus total includes "other instruction" costs not allocated to either Gen Acad or Voc Ed. Therefore, the sum of division costs may not equal Gen Acad or Voc Ed totals, and the sum of Gen Acad and Voc Ed costs may not equal the campus total.
- 3/ Excludes system-wide revenues and expenditures.
- 4/ Also called scholarships and fellowships.
- 5/ Professional/clerical ratios are for instruction only.

HONOLULU COMMUNITY COLLEGE

Footnotes to Tables:

- 1/ System-wide graduation rates.
- 2/ All cost data excludes fringe benefits. Data for 1995-96 includes tuition expenditures for scholarships and fellowships. Other instructional expenditures are as follows: 1) Division totals (Humanities, Natural Sciences, Business, etc.) exclude "other instruction" costs. 2) General Academic and Vocational Education totals include "other instruction" costs that were not allocated to Gen Acad or Voc Ed divisions. 3) Campus total includes "other instruction" costs not allocated to either Gen Acad or Voc Ed. Therefore, the sum of division costs may not equal Gen Acad or Voc Ed totals, and the sum of Gen Acad and Voc Ed costs may not equal the campus total.
- 3/ Excludes system-wide revenues and expenditures.
- 4/ Also called scholarships and fellowships.
- 5/ Professional/clerical ratios are for instruction only.

Footnotes to Tables:

- 1/ System-wide graduation rates.
- 2/ All cost data excludes fringe benefits. Data for 1995-96 includes tuition expenditures for scholarships and fellowships. Other instructional expenditures are as follows: 1) Division totals (Humanities, Natural Sciences, Business, etc.) exclude "other instruction" costs. 2) General Academic and Vocational Education totals include "other instruction" costs that were not allocated to Gen Acad or Voc Ed divisions. 3) Campus total includes "other instruction" costs not allocated to either Gen Acad or Voc Ed. Therefore, the sum of division costs may not equal Gen Acad or Voc Ed totals, and the sum of Gen Acad and Voc Ed costs may not equal the campus total.
- 3/ Excludes system-wide revenues and expenditures.
- 4/ Also called scholarships and fellowships.
- 5/ Professional/clerical ratios are for instruction only.

Footnotes to Tables:

- 1/ System-wide graduation rates.
- 2/ All cost data excludes fringe benefits. Data for 1995-96 includes tuition expenditures for scholarships and fellowships. Other instructional expenditures are as follows: 1) Division totals (Humanities, Natural Sciences, Business, etc.) exclude "other instruction" costs. 2) General Academic and Vocational Education totals include "other instruction" costs that were not allocated to Gen Acad or Voc Ed divisions. 3) Campus total includes "other instruction" costs not allocated to either Gen Acad or Voc Ed. Therefore, the sum of division costs may not equal Gen Acad or Voc Ed totals, and the sum of Gen Acad and Voc Ed costs may not equal the campus total.
- 3/ Excludes system-wide revenues and expenditures.
- 4/ Also called scholarships and fellowships.
- 5/ Professional/clerical ratios are for instruction only.

Footnotes to Tables:

- 1/ System-wide graduation rates.
- 2/ All cost data excludes fringe benefits. Data for 1995-96 includes tuition expenditures for scholarships and fellowships. Other instructional expenditures are as follows: 1) Division totals (Humanities, Natural Sciences, Business, etc.) exclude "other instruction" costs. 2) General Academic and Vocational Education totals include "other instruction" costs that were not allocated to Gen Acad or Voc Ed divisions. 3) Campus total includes "other instruction" costs not allocated to either Gen Acad or Voc Ed. Therefore, the sum of division costs may not equal Gen Acad or Voc Ed totals, and the sum of Gen Acad and Voc Ed costs may not equal the campus total.
- 3/ Excludes system-wide revenues and expenditures.
- 4/ Also called scholarships and fellowships.
- 5/ Professional/clerical ratios are for instruction only.

Instructional Cost per CFTE				\$55,728						

Footnotes to Tables:

- 1/ System-wide graduation rates.
- 2/ All cost data excludes fringe benefits. Data for 1995-96 includes tuition expenditures for scholarships and fellowships. Other instructional expenditures are as follows: 1) Division totals (Humanities, Natural Sciences, Business, etc.) exclude "other instruction" costs. 2) General Academic and Vocational Education totals include "other instruction" costs that were not allocated to Gen Acad or Voc Ed divisions. 3) Campus total includes "other instruction" costs not allocated to either Gen Acad or Voc Ed. Therefore, the sum of division costs may not equal Gen Acad or Voc Ed totals, and the sum of Gen Acad and Voc Ed costs may not equal the campus total.
- 3/ Excludes system-wide revenues and expenditures.
- 4/ Also called scholarships and fellowships.
- 5/ Professional/clerical ratios are for instruction only.

WINDWARD COMMUNITY COLLEGE

Footnotes to Tables:

- 1/ System-wide graduation rates.
- 2/ All cost data excludes fringe benefits. Data for 1995-96 includes tuition expenditures for scholarships and fellowships. Other instructional expenditures are as follows: 1) Division totals (Humanities, Natural Sciences, Business, etc.) exclude "other instruction" costs. 2) General Academic and Vocational Education totals include "other instruction" costs that were not allocated to Gen Acad or Voc Ed divisions. 3) Campus total includes "other instruction" costs not allocated to either Gen Acad or Voc Ed. Therefore, the sum of division costs may not equal Gen Acad or Voc Ed totals, and the sum of Gen Acad and Voc Ed costs may not equal the campus total.
- 3/ Excludes system-wide revenues and expenditures.
- 4/ Also called scholarships and fellowships.
- 5/ Professional/clerical ratios are for instruction only.
